- I REGULAR SLOTTED CARTONS

Reduce shipping costs

Ship less air, packing material

Reduce shipping damage

Perfect fit boxes protect your product better

Custom fit packaging

Makes your shipment look more professional

Cut Out Wrap

A centre panel with four flaps wrap around the product, the width flaps can tuck under the length flaps or fold around themselves to form protective air cells. Cut Out Wraps are used for fragile materials requiring protective packaging or wrapping – often a thin or narrow package.

Scored Pads

Scored corrugated sheets scored to create a sleeve.
Great for packaging single signs or posters.

Micro to small lot runs
(e.g. 1-500 units)

Next day delivery*

Exact quantity

**Available in single wall
and double wall**
