

FLO

IS THE BUDGET FRIENDLY SOLUTION

Designed for reliable on press performance, Sappi® Flo® is the budget friendly solution with the capability to handle the most demanding jobs and now the bigger jobs too! Ariva® now offers Sappi's Flo text in sizes optimized for 105cm (41") or 106cm (42") offset presses to improve efficiencies in specific applications.

Flo is the ideal go-to sheet for any printer and offers consistency and versatility for all projects regardless of the platform chosen – conventional offset, HP Indigo or production toner digital. When you choose Flo not only are you getting a great economical paper but you are also getting:

- Superior colour balance
- Environmentally friendly
- Best folding sheet in segment
- Campaign-friendly - One product across all platforms

IDEAL FOR CONVENTIONAL OFFSET HP INDIGO PRODUCTION TONER DIGITAL

These larger sizes are available in a dull or gloss finish in both 80lb and 100lb text weights packed loose on skids for convenience.
